

TECNIS Eyhance® Toric II IOL

Toric II

LIVE THE LIFE YOU WANT TO SEE.

ATTENTION: As with any medical procedure, risks and potential complications may occur. Please consult your eye care specialist for detailed information and to discuss these possible risks and complications with you prior to the procedure.

If patients have both astigmatism and cataracts, they may have the opportunity to address them simultaneously with a toric IOL.

SEE MORE FROM A MONOFOCAL IOL.

**The revolutionary IOL
for Astigmatism**

**LIVE THE LIFE
YOU WANT TO SEE.**

TECNIS
Eyhance® Toric II IOL

Toric II

Johnson & Johnson VISION

Astigmatism is a lengthy word with a simple explanation: the shape of the eye is more oblong than circular, which prevents one from focusing properly.

Most people are born with some degree of astigmatism,¹ but it does affect some more than others.

EXPERIENCE ENHANCED INTERMEDIATE VISION AND HIGH-QUALITY DISTANCE VISION IN ONE MONOFOCAL IOL.²

The **TECNIS Eyhance**[®] IOL defies conventional thinking about monofocal IOLs by delivering not only high-quality distance vision, but also enhancing vision and better low-light contrast.²

One lives for their favourite activities. Find it hard to focus on the GPS while driving? Have trouble reading signs in a store? Does the TV look blurry? Worried about walking on uneven surfaces?

TECNIS Eyhance[®] Toric II IOL

Toric II

TECNIS Eyhance[®] Toric II IOLs address astigmatism, and improve intermediate vision as part of cataract surgery.³

ASTIGMATISM

Distorts and blurs vision

Can lead to eye discomfort and headaches

Can be addressed with a toric IOL

Other solutions include prescription glasses and contacts made for astigmatism or an additional surgery

With presbyopia and astigmatism

With traditional monofocals

With **TECNIS Eyhance**[®] Toric II IOLs

BENEFITS OF TECNIS EYHANCE[®] IOL

Offers a significant improvement in intermediate vision compared to a standard monofocal IOL.²

Delivers high-quality vision for clarity day and night.²

Patients must talk to their doctor about the life they want to see, and find out if TECNIS Eyhance[®] Toric II IOLs are right for them.
